From the Commodore

This is just a reminder. With the holiday falling on a Monday our regular meeting will be on Tuesday-July 5th @ 8:00pm.

Regatta, Regatta, Regatta is the time of the year. We need your help!! I've been checking out the work sign-up sheets in the club and have noticed we are really short of people in a lot of different areas. The membership has to realize this is the largest fund raiser of the year and we need your support and help. This regatta is what helps pay our 2nd half taxes, keeps our dock & yard storage fees very affordable, plus help pay the electric and heat bills. I'm a firm believer that you work your own clubs regatta and play at everyone else's. Please get to the club and sign-up to work a couple hours for your club.

Speaking of having a little fun at the other clubs regattas:

It started off at T.S.C. with the \$1.98 beauty contest. A big congratulation goes out to P/C Tim Crites who is also the current Commodore of T.I.Y.C. It was the first time that the T.I.Y.C. has had any of their Commodores enter this contest and he walked (or strutted) away with the trophy. Now I know what an Ice Princess looks like. Great costume Tim.

C.C.Y.C. & T.S.C. had back to back Commodore's receptions. That makes for a long day, but its part of the job when you take the office. H.V.Y.C. & W.Y.C. also had back to back receptions.

Debbie and I had a great time at all of them. It's also nice to see a few of our members moving there boats and supporting the other clubs regattas. The other Commodores certainly appreciate the effort you've put forward.

To all the officers, board of directors, auxiliary officers & board, P/C's, P-Presidents, and all your spouses or significant other are invited to Commodore Terry Trimmer & Lady Debbie's Commodores reception held on Saturday July 9th from 4:00- 5:30pm.

If the P/C's and their Ladies, along with ORYC's flag officers are interested. There will be a bus leaving at 11:45am on July 9th to Elba-Mar Boat Club for there commodores reception which is from 1-2:30pm. Then the bus will return you to our club by 3:45pm.

Lets have a great regatta and we'll see you on the lake.

Please remember: **SAFE BOATING!!**

From the Vice Commodore - Donald Schuster (Shuey)

Hello everyone, I think summer found us, that's a good thing because its REGATTA time (NEXT WEEKEND). Everyone knows that REGATTA is the largest fund raiser of the year for the club, with that said, WE NEED YOUR HELP! This is your club so please come out and sign up to work, the theme is Christmas in July, there will be a booze basket for the best decorated boat. If you are a new member and don't know many people, sign up and get on board. There's a lot of great people at our club so come on out. Well that's about all I can think of right now, good luck on the contest and I'll see you around at REGATTA.

SHIPS STORE - Debbie Trimmer & Denise Bladel

Take a look in the Ships Store Shop! Lots of new items for both men and women. Polo's, swim suit cover ups, night shirts, tanks, ball caps, tote bags, can and bottle koozies, sweatshirts, t-shirt hoodies, sleeveless ladies polo shirts, windbreaker jackets, muscle shirts and so much more!!! Remember – shop early because styles and sizes are limited – never too much of any one thing! Need work hours??? Sign up to work the SHIPS STORE booth at the Regatta!!! Signup sheets posted in the club.

From the Ladies Auxiliary President - Holly Ellerbush

Is it really July already? Regatta is just around the corner! Larry and I are looking forward to celebrating "Christmas in July" with all of you. As a reminder, worker sign-up sheets are posted in the clubhouse and your help is always needed and appreciated! Larry and I wanted to thank everyone who offered help and boating advice since purchasing the boat. Although it really does take care of all our free time and money, it sure is nice to be on the water!

HAPPY 4th OF JULY

This nation will remain the land of the free only so long as it is the home of the brave.
~Elmer Davis

Freedom has its life in the hearts, the actions, the spirit of men and so it must be daily earned and refreshed - else like a flower cut from its life-giving roots, it will wither and die. ~Dwight D. Eisenhower

From the Dock Master - Sean Driscoll

Regatta is July 8th & 9th and we need help. I need volunteers to help put in temporary dock poles for our visiting guest, If you can help this week or this Saturday it would be greatly appreciated. There is ALWAYS a need for help for work to be done around the club.

Please come out and help, your time (work hours) and skills are always appreciated.

REMINDER: ORYC Club Rules state that the club needs to have, on file, an updated copy of insurance forms for your boat. Please send a copy to the attention of the Dock Master including dock number and OH numbers.

Please watch the board for the new Dock Bids. I'm also awarding the seasonal docks. We had a crew of painters out on the dock doing a fantastic job painting the main dock and G-Dock. It is your responsibility to have your dock painted and your catwalks in safe condition. If you need supplies or help to repair your dock please see me on Saturdays at the work building and I will help you with you request.

From the Yard Master - Geoff Brewer

July is here time to get ready for Regatta. **The yard will close on July 5 thru July 11 or until the tent is down in the yard from Regatta. NO PARKING.**

There is still some clean up for Regatta to do in the yard. The sign up sheets are in the club, come on down and sign up and help out at the Regatta. Hope to see you there. Just a reminder when you use the yard to work on your boat **PLEASE CLEAN YOUR MESS UP.** It is your responsible to put your

stands and I beams away. Pick up all the wood you use to block your boat and any plywood that is used. Don't leave your mess for someone else to clean up.

Thanks again for all the help in the yard this spring putting in the Boats. Could not have done it without your help.

******* IMPORTANT NOTICE TO ALL DOCK HOLDERS AT ORYC *******

You are required to have your new Back flow device installed on your dock by now, if you have not done so, please come down to the work building on Saturday's before noon and pick up your valve and install it on your hose bib so the health department does not fine the club. The fines will be forwarded on to you. Thank you for your prompt attention in this matter.

Respectfully, Sean Driscoll, Dock Master

Beauty is only skin deep.....

Pictures of our own Commodore Terry Trimmer from the recent \$1.98 beauty contest. Commodore Trimmer makes a handsome woman wouldn't you say??????
..... No, as a matter of fact, I would not say!
